**Notice to all customers with a pending I-130 petition** - USCIS is now processing Form I-130, Petition for Alien Relative, as a visa number becomes available. Filing and approval of an I-130 relative petition is only the first step in helping a relative immigrate to the United States. Eligible family members must wait until there is a visa number available before they can apply for an immigrant visa or adjustment of status to a lawful permanent resident. This process will allow USCIS to concentrate resources first on cases where visas are actually available. This process should not delay the ability of one's relative to apply for an immigrant visa or adjustment of status. Refer to [www.state.gov/travel](http://www.state.gov/travel) <<http://www.state.gov/travel>> to determine current visa availability dates. For more information, please visit our website at [www.uscis.gov](http://www.uscis.gov) or contact us at 1-800-375-5283.

Always remember to call customer service if you move while your case is pending. If you have a pending I-130 relative petition, also call customer service if you should decide to withdraw your petition or if you become a U.S. citizen.

- 13 4. We had our civil ceremony on March 24, 2004 in San Francisco, CA followed by  
14 a religious ceremony on May 22, 2004 in Mill Valley, CA.
- 15 5. Only my sister was able to attend my wedding because my mother was not well  
16 enough to travel at that time.
- 17 6. We filled out the adjustment paperwork and submitted it to immigration service  
18 around August 29, 2004.
- 19 7. On November 5, 2004, we received a letter from immigration asking that I send in  
20 additional information. I sent in my response right away in the month of  
21 November 2004.
- 22 8. On December 2, 2004, I received a Notice of Receipt and a fingerprint  
23 appointment for December 16, 2004. I went to my appointment as instructed.
- 24 9. On December 2, 2004, I received another letter from immigration asking me to  
25 bring documents with me to the interview on February 3, 2005.
- 26 10. On February 3, 2005, my husband, and I went to the interview. We met with the  
27 officer for about an hour or so. At the end of the interview, he said that my I-94  
28

1 card was missing and that I had to request it from the service and send within 90  
2 days. The officer also mentioned that I had to wait for a clearance to pass and as  
3 soon as I got clearance, I would get an answer.

4 11. About a week later, I sent a request to immigration to get re-issuance of the I-94  
5 card. It arrived around April of 2005 and I sent it in to the service upon receipt.

6 12. Again, my understanding within a few months after the clearance went through I  
7 would get my decision in the mail. I have always complied with the government.

8 13. Around October 6, 2005 I started getting very nervous and worried because I still  
9 did not have an answer. I called US Citizenship and Immigration Services (CIS)  
10 its customer service 800 number to inquire about my case. I spoke to someone  
11 over the telephone and asked about my decision. I was told CIS would look into  
12 my case and send the letter with the status. I never received a response.

13 14. About June of 2006, I called again and told CIS that I was still waiting. Again, I  
14 was told, I would get a letter with my status. I received a letter from CIS on July  
15 18, 2006 stating that my case was still pending and that I need to wait 190 days.

16 15. So now it has been over a year since the CIS letter of July 18, 2006. I am not sure  
17 what the delay is but I see no progress in the processing of my application.

18 16. A good friend of mine, Faribah Faiz, helped me request a Freedom Of  
19 Information Act file (FOIA) to see what is going on in my case, but to date, I am  
20 still waiting to receive my file from CIS.

21 17. I am angry and frustrated. I have waited for 2 years and 9 months and no decision  
22 has been made. I was forced to hire an attorney to assist me in this case.

### 23 **PERSONAL BACKGROUND**

24 18. I entered the United States for the first time in 1977 in New York at the age of 16  
25 with a student visa. I enrolled in Doane Stuart School, a Jesuit private high  
26 school in New York, and received my high school diploma.

1 19. In 1981 I moved to San Francisco and began attending the University of San  
2 Francisco, where I completed my Bachelor of Arts in Psychology with a minor in  
3 Philosophy in 1983. I went on to receive my Master of Arts in Psychology from  
4 the same institution, and completed my Ph.D. in clinical psychology at the Wright  
5 Institute, Berkeley in 2001.

6 20. I have served my community by giving thousands of unpaid hours of my time and  
7 services including work in suicide prevention, alcohol and drug recovery with  
8 battered women and with juvenile delinquents. I have also worked for a number  
9 of non-profit organizations [Exhibit 0]. I work with the Family Service Agency  
10 of San Francisco, which provides a variety of services to low-income families,  
11 including psychotherapy. I have treated children and adolescents suffering from  
12 manic depression, autism, pervasive development disorder, attention deficit  
13 disorder, post-traumatic stress disorder, physical, sexual and emotional abuse.

14 21. I currently work at various convalescent hospitals in the Bay Area doing  
15 psychotherapy with patients suffering from Alzheimer, Parkinson, bipolar  
16 disorder, schizophrenia, depression, and other ailments. I also work with Afghan  
17 refugees who suffer from severe post-traumatic stress disorder and depression.

18 22. My education, career, and my life has been dedicated to helping those in need.

19 23. I have been a law-abiding, tax-paying member of this society. I have done nothing  
20 but help and serve this country and those of its members in need.

22 **HARDSHIP**

23 24. It has been difficult waiting for almost three years for a decision on my case. This  
24 prevents me from helping and visiting my family members who live abroad.

25 25. My mother and siblings all live in Iran and my older sister, Fatemeh Amini lives  
26 in Italy. She has undergone serious physical ailments and difficulties, for which I  
27 have been unable to be present.

1 26. Even though I have applied for advanced parole, I have been hesitant to leave the  
2 country out of fear because I might not be able to re-enter.

3 27. This has been a major source of distress in my life. I have helped so many people,  
4 but on account of my uncertain immigration status, there have been crucial and  
5 difficult times for my family that I have not been able to be there.

6 28. My mother Ehtram Tarkish-Daz, is 76 years old and suffers from diabetes, kidney  
7 disease, and late-stage arthritis. She spends her days hoping that before her death  
8 she will see me one last time. She is unable to travel and this breaks my heart.

9 29. My brothers have been taking care of her for the past years and I feel deeply  
10 indebted to them for the care they have provided her. My biggest desire is to be  
11 able to travel and somehow contribute. I have not seen my sister for 4 years, my  
12 eldest brother for 12 years, and my younger brother for 16 years.

13 30. In addition, I have not been able to travel and meet any of my husband's family.  
14 They all live abroad and do not have a means to travel to the United States. This  
15 has been a source of grief for both for my husband and I. This is very difficult  
16 because I feel disconnected from that part of my husband's life. We speak on the  
17 phone but I wish to meet them in person.

18 31. In our culture, it is very important for families to meet each other, and to have  
19 close relationships.

20 32. I have not been back to Iran since 1981. My father passed on April 12, 1994 and I  
21 was not able to attend his funeral. This was very difficult for me. I fell into a deep  
22 depression for about a year because of this. I would like to go to Iran and visit his  
23 remains. Also, if my mother passes and I am not able to travel, I do not know if I  
24 will be able to take this.

25 33. For the last four years, I have been suffering from stress in all aspects of my life  
26 because of this. My life has been in limbo for the last four years and this has  
27 affected my career.

1       34. My goal is to get a job with the Veteran's Hospital. However, this job requires  
2       employees to be US Citizens. Obviously, I will not be able to apply until I am a  
3       citizen. Since I have been waiting for almost three years for a decision, this has  
4       now prolonged the time it will take me to become a citizen.

5       35. My husband and I were in the market to purchase our first home in 2005. Since I  
6       have no status, I was not able to apply for a loan to buy our home.

7       36. I have auto immune disease, and a thyroid condition. I suffer from fatigue and  
8       depression and stress worsens my medical conditions. This means that I have to  
9       live a stress free life in order to take care of myself, my family, and my patients.  
10      The stress of not knowing what is going to happen has affected my personal and  
11      professional life.

12      37. I cannot sleep due to my immigration worry. I keep stressing about what is going  
13      to happen and how much longer it will take to get my decision.

14      38. I hope that this court will help me
